

# Get to know more of your community...

---

## Participate in a Fireside Chat!

A fireside chat is a chance for 6 to 10 people with diverse life experiences to talk and get to know each other in a warm and friendly environment. Join the more than 60 Marin County residents who have signed up to participate!

### **WHO:**

Two hosts from different backgrounds who know each other agree on a date and place. The co-hosts each invite 2 or 3 other people, aiming for a mix of people with a variety of life experiences including, but not limited to, type of work, housing, education, family, faith, ethnicity, etc.

### **HOW:**

The conversation has a simple framework that incorporates basic guidelines we naturally implement as gracious hosts, while at the same helping everyone to participate, feel welcome, and contribute.

### **WHAT:**

Participants have reported how much they enjoy meeting new people and comparing experiences about the benefits and challenges of living in Marin. One attendee said: “We are more alike and more different than I realized.” This increased knowledge about our community can help you decide whether and how you want to get involved.
